*These Lots are named as Blocks since they straddle two existing properties which will become one Lot at Registration of the Plan of Subdivision. Dimensions for irregular shaped Semi-detached Lots are rough estimates only. Actual location of shared property line (shown as dotted) and dimensions can only be determined at time of construction. Siteplan is not to scale and is provided for general information only. All plans and lot dimensions are approximate and subject to change at vendor's discretion. Proposed parks, future residential and mixed use block are subject to change without notice. Location of driveways, trees, mailboxes and above ground utility infrastructure are determined by third party approval authorities. Illustrations are Artist's concept. To convert from metres to feet, multiply dimension by 3.281. E & O.E. DEC 2024
